Laboratory Charter School Foundation

The Laboratory Charter School received a \$2,500 grant for The Laboratory Charter School afterschool programs.

Lab Charter has applied for a \$200,000 two-year grant for the Catapult Learning Company to provide in-person academic tutoring to LAB Students. This is a fully funded grant that will also staff the program with tutors to assist our struggling students. The program will begin at the start of the 2026-2027 school year.

The Menstrual Hygiene Products Grant Program Legislation enacted last year aimed at stopping the stigma of girls having a menstrual cycle. The 2025-26 Feminine Hygiene Product Grant Program is a non-competitive, non-solicitation grant program. Applications and reimbursement requests will not be required.
